

LOK SABHA SECRETARIAT
(PUBLIC ACCOUNTS COMMITTEE)
(2010-11)

**LIST OF POINTS FOR DISCUSSION WITH SHRI RATAN N. TATA,
CHAIRMAN, TATA SONS LIMITED ON THE SUBJECT 'RECENT
DEVELOPMENTS IN THE TELECOM SECTOR INCLUDING ALLOCATION
OF 2G AND 3G SPECTRUM'**

DATE & DAY	TIME	VENUE
04.04.2011 (MONDAY)	1500 HRS. ONWARDS	ROOM NO.53, FIRST FLOOR, PH, NEW DELHI

1. In how many circles Tata Telecom companies are operating as CDMA and GSM service providers?
2. Do they hold any additional spectrum in their respective areas of operation? If so, what are the details thereof?
3. Did you pay any amount to DoT for getting additional spectrum? What is the total Spectrum available with the Tata Group?
4. Your forte is CDMA services. Why did you opt for GSM operation?
5. What amount did you pay to the DoT to get the cross over/ dual technology licences in October 2007?

6. For how many circles did you get the dual technology licences and what is the latest roll out obligation in each Circle? What were the main objections of the GSM operators against the CDMA operators getting GSM licences?
7. What was the interest of the Tata Group in advancing a loan to Unitech? What was the total amount of "advance" arranged for the Unitech group from Tata Realty?
8. Does Tata Group control directly/indirectly equity in Aircel through Maxis Communication and Apollo? Was there any change in the shareholding pattern of M/s Aircel prior to the grant of permission for dual technology and subsequent to it?
9. Why were you surprised that Raja was playing game? What game you were referring to?
10. What made you so concerned that 'Maran is going hammer and tongs for Raja? And hope that "Raja doesn't trip or slip or ..."? Why were you so apprehensive of Mr. Dayanidhi Maran becoming Telecom Minister?
11. Which hospital in Perumbudur was funded by the Tatas? What funds and equipments were given by the Tatas?
12. Is it true that the Tata Group is a client of M/s Vaishnavi Corporate Consultants Pvt. Ltd., a company owned by Ms. Niira

Radia, which provides consultancy in Telecom, Power, Aviation and Infrastructure? What is the nature of consultancy that M/s Vaishnavi Corporate Consultants provides and since when?

13. Prior to appointment of M/s Vaishnavi Corporate Consultants Pvt., Ltd., which was the agency handling this work for the Tata Group?
14. What is the 'environment management' that M/s Vaishnavi Corporate Consultants Pvt. Ltd. undertakes? How is it done?
15. Is it true that the Tatas used Voltas to construct a building in Chennai for the certain political party? If so, why was this done?
